

ONLINE REGISTRATION FOR ATHLETICS

The Chaska High School Athletics Department is excited to announce that student-athlete registration for the 2017-18 academic year can be completed online. Chaska High School offers over 30 different athletics programs designed to meet the interests of our student body. These programs are an opportunity and a privilege afforded to students in our Chaska school community.

We are an educational athletics program, and as such, we believe strongly that our purpose is to promote lifelong personal growth and development. Student participation will encourage individual development by providing opportunities for leadership, sportsmanship, fellowship, teamwork, commitment to goal achievement, character building, communication skills, competition and school pride. Through their involvement in our programs, student-athletes are expected to improve their decision making processes, develop self-discipline and self-esteem, respect individual differences, and promote a healthy attitude toward addressing challenges. We believe these are the characteristics that will support a successful high school program and a successful future for our student-athletes, wherever their path may lead. Students are highly encouraged to become active in a variety of activities while attending Chaska High School.

The Chaska Hawks compete in the Metro West Conference and are members of the Minnesota State High School League. Chaska High School has won 148 Conference Championships, participated in over 165 State Tournaments, and has won State Championships in Boys' Basketball, Dance Team, Girls' Golf, Adapted Softball, and Volleyball!

To complete your online registration, please visit our Chaska High School Athletics Registration website at:

www.chaskahawksregistration.com

Please make sure you review the payment options listed on the website prior to starting the registration process. In addition, the registration homepage will provide detailed information on how to login for first time users. A reminder to make sure you change your password once you login to the system as a first time visitor to this site. Also, if you cannot retrieve your student account information, please contact the athletics/activities office.

It is recommended that all registration be completed at least two (2) weeks prior to the start of the season. Students must be completely registered by the Friday preceding the official MSHSL start date. Student-athletes will not be allowed to participate and/or try-out for a sport without being fully registered and cleared by the Chaska Athletics Office. A completed online registration must also include an updated Minnesota State High School League (MSHSL) Sports Qualifying Physical. The physical date on record is valid for two (2) years and must include a physician's signature. If a student needs an updated physical, the 2017-18 MSHSL Sports Qualifying Physical form is available on the registration homepage under "Resources". This form should be printed off and brought to your scheduled exam for the physician to complete. Once completed, this form should be brought to the Chaska High School Athletics Office so student account can be updated.

Here is a brief summary of Chaska Athletics offerings for the 2017-18 academic year.
