Principal News:

Generation Z

The world today, is much different than the world we grew up in as high school students. It is much bigger and the internet is providing information to areas of the world that will force our students to complete in a global job market. Social media means that information is shared instantly to a large audience. Our students are inundated with constant information that can shape their thoughts and views of the world and other adults.

It can be overwhelming at times for our students. When I walk down the halls every day I see a bunch of young adults and I sometimes forget that they are still children developing their cognitive abilities. I wonder what they are thinking and how important the roles of the adults play in their lives. As parents, we continue to play an important part of their development even when they are resisting our help. We want them to learn responsible and independent skills. We want them to learn skills that will help them be productive citizens after school. But don't forget they are still children needing our support and guidance.

Chromebooks

Please remind your students to charge their chromebooks at night. When students arrive to school with Chromebooks not charged they can miss out on valuable learning time. We don't always have enough additional chargers to assist students whose Chromebook needs a charge.

Parent Teacher Conferences

Our next round of parent teacher conferences are coming up:

The following is our remaining Parent Teacher Conference Dates for this school year:

- Thursday, November 2: 4:00-8:00pm
- Friday, November 3: 8:00-10:00am
- Thursday, February 15: 4:00-8:00pm
- Thursday, March 1: 4:00-8:00pm

Conference are conducted arena style in the Commons. You may park on the west side of the building and enter through the activities door. Please bring your student with you to conferences as they are an integral part of the process.

Prior to arriving for conferences, you should look-up/print your student's progress report from Parent Portal. This report will show your student's current grades and teacher names. Please note that paper copies of student's grades and/or schedules will not be distributed at conferences. You can locate the progress report in Parent Portal under Reports. If you have not already activated your Parent Portal account, this would be a great time to sign-up. Staff will be available at the welcome table.

Thank you for your ongoing support of Chaska High School. We look forward to seeing you at conferences.

NCAA Athletic Compliance Information Session is November 2nd

The NCAA athletic compliance information session is presented by the U of M and is intended for 9-11th grade students (and their parents) interested in planning for and participating in collegiate athletics. It starts at 6:30pm in the Blue Forum.

Parent Preview Night is Thursday, November 9th

Parent Preview Night is designed for current 8th grade students and their families. It is an opportunity to introduce you to the exceptional school experience you will find in our high school program. Parent Preview Night is designed to help our future 9th graders transition from a middle school setting to the demanding academic schedule required by our high schools and beyond.

On Thursday, November 9th at 7:00pm in the auditorium we invite you to a preview of what you can expect at Chaska High School. The Preview Night will start with a presentation about our program and will be followed by opportunities to tour the building and ask questions. The evening will also include a visit with high school administrators, teachers, counselors and our students.

October was College Knowledge Month at CHS

College knowledge month included a variety of activities and events to help students understand their options after high school. Tuesdays were and still are “wear college attire” days. College admission representatives frequently visited the Career Resource Center. If you have questions about post high school options including careers and college planning, feel free to contact your student’s counselor or our College and Career Resource Center.

Did you Know?:

The 12th Annual DECA Turkey Trot is November 11th

DECA is once again hosting the annual Turkey Trot along with the Chaska Rotary. Turkey Trot is on November 11th and proceeds go to 'end polio now' and Chaska DECA.

Race-day registration begins at 7:30 am, the child's race (lil gobbler) ages 5 and under is at 8:15 am, Big gobbler race (ages 6-11) starts at 8:30 am, the main 5k starts at 9:00 am. You can pre-register now for a lower price at the Turkey Trot Website - <https://www.chaskaturkeytrot.com/>

You can Get Weather Related School Closing Information Multiple Ways

How do you know when school might be closed due to snow and ice? There are multiple ways to find out the status of the school day:

- District 112 notifies families of school closures through the Infinite Campus Messenger Service. All parents will receive a phone call soon after the decision is made.
- District 112 contacts Channels 4, 5, 9, and 11 and WCCO-AM radio as early as possible when school is canceled for the day. (We call immediately after the decision is made, but we have no control over when the message airs.)
- Check our website at www.district112.org. Closing notices should be posted on the front page.
- E-mail from TV stations. At least one TV station, Channel 11, has an e-mail service that notifies you when the schools are closed. Check it out at www.kare11.com. Our school district is called “Eastern Carver County” at the website.

Here are other school closing reminders:

- If our schools close early, there is no afternoon kindergarten and no after-school childcare.
- If our schools start late, there is no morning kindergarten, no all-day kindergarten at ECC, and no before-school child care.
- After-school activities and sporting events are generally canceled if school is not in session or if school closes early.
- If bad weather develops in the afternoon, activities may be canceled. Principals will make an announcement to students if activities are canceled.
- Decision affects bussing for all schools; public, private, and specialized service served by District 112.

The decision to close school is based on road conditions and the weather forecast. Our bottom line is student safety. Parents always have the prerogative to keep children home or to pick up children from school if your assessment of the weather situation differs from the school districts.

COLLEGE VISITS AT CHS

Students can sign up for the visits in the flex scheduler.

For up to date college visits and career events visit the Chaska High School calendar at: <http://chs.district112.org/> College visits will be listed each day under “Daily College Visits” or click this link to an alphabetical list <https://goo.gl/WsrMG6> Follow the CRC on Twitter @ChaskaHighCRC for daily college visit reminders.

ACT/SAT

Act and SAT tests are offered throughout the year. Students can log on to ACT’s web site, www.actstudent.org to register for their ACT test. To register online for the SAT test students should go to www.collegeboard.com. Students must upload a photo when registering for the ACT or SAT. Students are required to bring their admission ticket and photo id on the test day. No ticket, no photo id, no admission! As a general rule, we recommend that juniors start taking the ACT in the 2nd half of their junior year. However, some students are ready before that time and are certainly welcome to test earlier. One guideline is to wait until the student has either completed or has taken at least one semester of algebra 2. Students may take the tests as often as they choose. Official ACT and SAT scores can also be requested to be sent to a student’s college(s) of choice through both of these test registration websites.

Little Volumes from the CHS Media Center:

By Lisa Gearman, Information Innovation Learning Specialist

As the crisp winds of November signal winter's arrival, we are turning our thoughts to curling up with a good book!

Hawk's Nest Book Club meets on the last Thursday of each month during WIN in the Media Center, although our next meeting will be on Nov. 16th due to the Thanksgiving holiday. The students have selected their top choices from the YALSA Teens Top Ten list, and we will order a set of books for choice #1 to be available for our next meeting.

We hosted three celebrations in the MC this past month: **Teen Read Week**, **Digital Citizenship Week**, and **College Application Celebration Day** in collaboration with the Career Resource Center and CHS Counselors. Students enjoyed prize drawings and book sharing during Teen Read Week, digital challenges to create a positive online presence during #DigCitWeek, and our CHS Seniors got the opportunity to complete online applications to the colleges and institutions of their choice during Application Celebration Day.

We are continuing to work on and add **"makerspace"** to our Media Center. Recent research shows that it is beneficial to all students to have a space for tinkering and developing their creative thinking and problem-solving skills. We have some basic technology equipment students can use, but it is a work in progress and we are always working on increasing the types of activities students can do here. We recently added some "art walls" and pedestals where students can use the space to display different ways to show their learning, including a photo montage, museum display, or any other creative ideas students may have.

If you are cleaning closets or in a position to make a donation, we could use any of the following materials: *poster board, LEGOs, AA or AAA batteries, duct tape, and Kleenex*. These supplies can be dropped off at the Media Center any time. Many thanks to the parents who have already donated supplies!

Please visit the [Media Center web page](#) for more information about our online databases, mobile apps, online tools for students, Media Center news, and more. Thank you for your support of our media program!

Notes from Theatre:

Chaska High School Theatre Proudly Presents *Singin' in the Rain*

Singin' in the Rain pours down delight, capturing the waning days of the silent screen era as they give way to new-fangled "talkies." With the Jazz Singer premier making Hollywood frantic, the studios are forced to suddenly change all the movie making rules at once to accommodate sound. In doing so, they leave silent pictures and some of their stars behind. When Monumental Studios turns *The Dueling Cavalier* into *The Dancing Cavalier*, a musical picture, in order to stay relevant, they are faced with a problem: their star, Lina Lamont can't sing, and can't even really talk. Enter Kathy Selden, an aspiring actress whose dulcet tones

are able to cover Lina Lamont's -- calling into question what it means to act, how credit is distributed, and what it means to get a fair shake in the movie business. *Singin' in the Rain* includes some of the best-loved comedy routines, dance numbers, and love songs ever written, including "Good Mornin'," "Make 'em Laugh," and - of course - the show-stopping dance number, "Singin' in the Rain."

Performance Dates

- November 10, 11, 16, 17, 18 @ 7:00pm
- November 12 @ 2pm

Tickets:

- \$12/adults
- \$10/students & seniors
- Activities passes get in for free at the door, but not for advance purchase

Notes from Yearbook:

Ads for Grads are due December 1, 2017 for the 2018 graduates

Every year, the yearbook staff sponsors a fundraiser. You may **choose** to submit an *Ad for Grad* as part of the celebration for your senior. These advertisements are a unique part of the yearbook in that they add a very personal, heart-felt touch to your senior's yearbook by looking back on their early years. An *Ad for Grad* is a wonderful way to say something important to your son or daughter – such as some sound advice or just how much you love them – before he or she graduates from CHS. All proceeds from *Ads for Grads* go back to the Hawk to help supplement the costs of the yearbook. All ads for seniors will be submitted and paid for online.

Shop the collection and select Yearbook Recognition Ad. If the link doesn't work, try copying and pasting it rather than just clicking on it:

<http://jostensadservice.com?REF=A03978500><<http://jostensadservice.com/?REF=A03978500>>

Order the Hawk today – Prices increase on November 11th

You may have missed the opportunity to receive icons for free but don't miss out on still buying the yearbook for the reduced cost of \$75 when you order by Nov 10th. Buy online at jostensyearbooks.com or send a check to the main office with your [order form](#) c/o Chaska Yearbook. Don't miss this opportunity.
