Principal News:

Greetings from CHS and Happy New Year! The first semester of the school year is quickly winding down. This is a very busy time of year for us. We are also in the beginning stages of planning for the next school year and our student testing season. There is a lot of important dates and information in this edition of the Hawk Nest.

Some important dates:

- Monday, January 15: Martin Luther King Day, NO SCHOOL
- Thursday, January 18 and Friday, January 19: Semester 1 final tests
- Friday, January 19: last day of Semester 1
- Monday, January 22: Workshop Day, NO SCHOOL
- Tuesday, January 23: Semester 2 starts

Ending Semester 1 and Beginning Semester 2

Thirteen school days remain in semester one. Friday, January 19th is the last day of the semester. All classes have projects or tests at the end of the semester. Thursday and Friday of the last week are scheduled as 4-period days to allow end of semester work to be spread out.

I encourage all parents and students to check on their grades now to give them time to earn the grade they want. Waiting until the final week is too late. Too many students procrastinate and then put more pressure on themselves to get all missing work in before the grades are due.

Encourage your student to sign up for the WIN sessions they need to get additional help. Encourage them to speak with a teacher now, to see what they need to do in order to earn the grade they want.

Parents can check their student's progress on Parent Portal. This can sometimes help motivate students who may be struggling to achieve the grades they desire.

Semester two begins Tuesday, January 23rd. Monday, January 22nd is a grading day for staff and day off for students. Some classes at CHS are a year-long and will continue into the second semester. Some classes at CHS are one semester in length, so students may be starting some new classes on Tuesday.

Student Attendance

Student attendance is critical to the success of our students. This includes being on time. When students walk into class late, they not only affect their learning environment, but also others in the class. This is a preventable disruption to the learning environment. Please check your child's tardiness to class in Parent Portal.

Semester 2 Schedule Corrections

This time of the year also has students looking at their semester 2 schedule. Below is information about the process for students and families interested in making a schedule correction. We believe this process will be fair for all students and allow for schedule corrections as space in classes allow.

This is when and where students can seek information and/or make a schedule correction:

- Counselors will be available at all lunches in the commons the week of January 16th – 19th.
- Schedule corrections will be made after school on Tuesday, January 23rd and Wednesday, January 24th in P130 from 3:00 pm – 4:00 pm.
- Information and forms for making corrections will be available in house offices and from counselors at lunches the week of changes. Students can drop off schedule correction requests in P130 or stop in to visit with a counselor.

CAN YOU CHANGE YOUR SCHEDULE?

WE CAN HELP!!	SORRY!!
<p>Changes during lunches last week of the semester and after school first 2 days of new semester. Many factors (such as staffing, class sizes, course availability and YOUR graduation requirements) may impact the class change approval.</p>	<p>9th, 10th, and 11th Graders: Registration for 17-18 starts in February... be thinking ahead to what classes you want next year.</p>
SOAR HAWKS!	

Registration for 2018-19 classes; Curriculum/Registration Night at CHS

The following information is to assist students and parent(s)/guardian(s) in the registration process for 2018-19. Our hope is to provide you with accurate and timely information so that students can make wise decisions when selecting courses for next year. Please come to our annual Curriculum/Registration Night on February 8th to hear from counselors and teachers about courses and programs at Chaska High School. We look forward to seeing you then.

Registration Timeline

- **February 5 – February 8:** Students will receive a registration guide and registration materials.
- **Thursday, February 8:** Registration meeting at CHS with counselors and teachers for parents(s) / guardian(s) in the Blue House Forum.
- **February 5 - February 20:** - Students will be allowed access on student or parent portal to enter course requests on their own time. Registration closes at 7:00 am on February 21.

REGISTRATION NIGHT FOR PARENTS/GUARDIANS OF 9th, 10th, and 11th GRADE STUDENTS THURSDAY, FEBRUARY 8 @ 6:30 pm AT CHS – Blue House Forum

- 6:30 pm Counselor and teacher presentation on CHS registration and post-high school planning
- 7:15 pm Question/answer session in the Commons
- College Information Night is Thursday, February 15 at 6:30 pm. (PT Conferences are also this night.)
- PSEO Informational Night is Thursday, February 15 at 7:30 pm. (PT Conferences are also this night.)

Registration Resources

- The course registration guide provides detailed information about each course, including length, credits, and topics.
- Current and past teachers can provide suggestions about appropriate courses.
- Registration information is available at the high school website: <http://chs.district112.org/>. Click on Academics and then Registration Info.
- Contact a counselor at any time if you have questions about course.

Tips for Selecting Courses for Next Year

- Review a transcript and understand current credit status toward graduation.
- Use graduation requirements table in the Registration Guide.
- Select the appropriate level of courses required for graduation and entrance into college if that is your plan.
- Select other electives based on interest, ability, and post-high school preparation.

Scheduling Information/Background

The high schools create a master schedule based on student requests. This means sections of courses in each semester and the teachers who teach those sections are determined by student requests. It is extremely important that students be as accurate as possible in making those requests and be committed to taking those classes. Courses will be cancelled if there are not enough students enrolled.

Please understand that student registration requests help the school know student preferences and create a schedule. Students register for courses only. They are not able to request semesters, periods, or teachers. Scheduling software will attempt to manage parameters such as: keeping the same teacher in multi-semester courses, placing prerequisite courses first, and scheduling required courses before electives. In some cases, requests conflict with each other and a complete schedule cannot be created.

Schedule Corrections Next Year

Counselors do work with students to address scheduling issues. Schedule corrections are limited to courses that have available spaces and priority is placed on certain issues. Among the highest priority issues are:

1. To fill an open period.
2. An 11th or 12th grade student registered for PSEO classes who need a schedule adjustment to accommodate college classes.
3. Any students who have a scheduled course for which they have not completed a prerequisite.
4. Any students who have a scheduled course they have already completed.
5. Any student whose teacher has indicated that placement in a scheduled course is inappropriate.
6. Any senior needing a specific requirement for graduation or college admission.

We cannot stress enough the importance of students registering accurately for the classes they want to take.

Final Word

Complete, accurate, and timely registration is extremely important. Chaska High School puts a tremendous amount of energy into offering courses that meet student needs, helping students register accurately, and creating a master schedule based on student requests. Student investment in making quality requests during registration is very important.

Please feel welcome to contact Kathy Fontes, Assistant Principal at 952-556-7106 if you have any questions or concerns.

Did you Know?:

You can now Receive Text Message Alerts from Eastern Carver County Schools

Families can change their settings in Infinite Campus to begin receiving text messages. Text and data rates may apply depending on your wireless service provider.

Follow these simple steps:

1. Log into Campus Portal
2. Go to Contact Preferences under User Account menu
3. Check the "Text (SMS)" boxes for the phone number(s) on which you want to receive texts
4. **We recommend you choose Emergency, General Notification and Priority Notification**
5. Save your changes & that's it!

For detailed instructions with illustrations, click here:

There is an After School Activity Bus on Monday, Wednesday and Thursday

- Monday, Wednesday and Thursday (no Tuesday or Friday bus)
- Departs from purple doors at 4:25 pm
- All students will ride bus #23 from CHS to PRMS to East/West. They will need to transfer to their connecting bus at East/West. That bus will take them to the closest stop to their destination.

Click [here](#) for map of route.

All Student Drop-off/Pick-up and Visitors Must Use East Side of the Building

When dropping off or picking up students, please use the East entrance. The Activities entrance is for student/staff only during the school day. Visitors are no longer allowed to enter on the activities side and must use door 1. Thanks for your help in keeping our parking lots safe for students and allowing buses to move freely and stay on schedule.

Other reminders:

- Please remember that it is illegal to pass a school bus with its red lights flashing on and its stop arm extended. This includes roadways as well as the CHS parking lot.
- Parking is prohibited where there are signs indicating such and/or the curb is painted yellow

COLLEGE VISITS AT CHS

College Admissions Representatives from a variety of colleges and universities visit the CRC each week. They are available to meet with students to share application, academic program, housing, campus life and financial aid information with prospective students. Students can sign up for the visits in the flex scheduler.

For up to date college visits and career events visit the Chaska High School calendar at: <http://chs.district112.org/> College visits will be listed each day under “Daily College Visits” or click this link to an alphabetical list <https://goo.gl/WsrMGe> Follow the CRC on Twitter @ChaskaHighCRC for daily college visit reminders.

ACT/SAT

Act and SAT tests are offered throughout the year. Students can log on to ACT’s web site, www.actstudent.org to register for their ACT test. To register online for the SAT test students should go to www.collegeboard.com. Students must upload a photo when registering for the ACT or SAT. Students are required to bring their admission ticket and photo id on the test day. No ticket, no photo id, no admission! As a general rule, we recommend that juniors start taking the ACT in the 2nd half of their junior year. However, some students are ready before that time and are certainly welcome to test earlier. One guideline is to wait until the student has either completed or has taken at least one semester of algebra 2. Students may take the tests as often as they choose. Official ACT and SAT scores can also be requested to be sent to a student’s college(s) of choice through both of these test registration websites.

Creating Caring Community in Minnesota: Five Things You Can Do

January 24 – 5-6 p.m.

Chanhasen High School – Lecture Forum

Learn about mental illnesses, the impact of negative attitudes and five things each of us can do to make Minnesota a better place for people who experience a mental illness. This one-hour workshop is for anyone interested in learning about mental illnesses and helping to change attitudes towards mental illnesses. Led by the National Alliance on Mental Illness of Minnesota.

Supporting Teens with Suicidal and Self-harm Behaviors and Urges

January 30 – 6-7:30 p.m.

Chaska High School – Blue Forum

Some teens struggle with suicidal or self-harm urges. As a parent, caregiver, or educator – you want to help but it can be scary, overwhelming and sometimes hard to understand. Dr. Lane Pederson will speak on ways to respond and interventions that support teens experiencing these behaviors and urges. Dr. Pederson is a real world practitioner and the co-owner of Mental Health Systems, with four clinics in the metro area. He is also a published author and has provided training and consultation to over 8000 professionals in the United States, Australia, Canada, and Mexico. Led by Mental Health Systems.

Change to Chill Resiliency Training

February 7 – 4-5:30 p.m.

Chanhasen High School – Lecture Forum

Change to chill is a free online tool to help youth learn how to identify their stressors and how to manage them. Staff from Allina Health will provide an overview of the Change to Chill online resilience based tools: mindfulness, meditation, gratitude, guided imagery and relaxation. This program can be applied to any person in any setting, but will be focused on the target age group 13-18. Allina staff will guide you through these online tools and lessons to help you find ways to implement them into your setting for these youth.

Managing Stress, Anxiety, and Depression – Tips for Parents and Educators

February 21 – 6-7:30 p.m.

Chanhasen High School – Lecture Forum

Stress among school aged children and adolescents is evident by the rising incidence of mental health concerns seen among this group. Minnetonka Counseling LLC will discuss common mental health diagnoses seen within a school setting, along with practical tools that can be used in the classroom and at home to address these concerns.

A Fresh Look at Attention, Learning and Memory

February 24 – 4:30-6:30 p.m.

Chaska High School – Blue Forum

In this presentation Dr. Chris Bedford will talk about how people learn and remember things using the information processing model. With this model, we can identify and understand the difficulties that people experience with everything from mental health to academic problems, including learning disorders and ADHD. Most importantly, Dr. Bedford will talk about how to select appropriate interventions based on specific difficulties identified by the model. Led by Brightsight.

Notes from Parent Leadership Council:

Meeting Information

The Parent Leadership Council consists of parents whose goal is to promote student learning and success at Chaska High School. We meet the first Wednesday of the month, from 4:00pm to 5:30pm in the Main Office Conference Room, with Principal Jim Bach and our School Board Representative Fred Berg. This is a great way to be involved and engaged in the leadership of Chaska High School!

PLC supports CHS teachers throughout the year with meals on conference nights and special events such as the Thanksgiving Extravaganza and Staff Appreciation Week. We also beautify the school grounds twice a year as well as support the Career Resource Center when needed.

Thank you to those parents that donated items for the teacher meals on conference nights. CHS Teachers were grateful to have a delicious meal! We look forward to seeing you at our next meeting. Everyone is welcome!
