The Main Office is open during the summer Monday through Thursday from 7am – 3pm. Please note, the office will be closed:

- Week of 6/25-29
- Week of 7/2-7/6

### Bus Information on Campus Portal this summer for 2018-19 school year

Bus schedules for the upcoming school year will be posted online on your child’s Campus Portal account in late July. With the exception of Special Education students, no letters will be mailed to student homes. Transportation forms and important information for the next school year will be posted on the [Transportation webpage](#). The first day of school for grades 2-12 is Tuesday, Sept. 4, 2018. Kindergarten and 1st grades start on Thursday, Sept. 6, 2018.

### Graduating Seniors must Request their Final Transcripts be Sent to their College

Chaska High School does not automatically send a final transcript to your student’s college. They must request the transcript be sent to their school of choice. Final transcripts for seniors should be available approximately June 11<sup>th</sup>.

### How to Request Transcripts

Current and former students can request official transcripts through the registrar’s office at Chaska High or electronically through [parchment.com](#). Things to consider in deciding which option is best for you:

1. Paper transcript request through registrar’s office (click [here](#) for form)
  - a. Will be sent out in 2-5 business days
  - b. Is sent via post office mail
  - c. Cost is \$5.00 payable via cash or check
  - d. Fee waiver is available for students that meet criteria
2. Electronic transcript request through [parchment.com](#)
  - a. Will be sent next school day

- b. Is sent electronically
- c. Student can track transcript and is notified when transcript arrives at selected designation(s) in 24-48 hours
- d. Cost is \$5.00 payable via credit card
  - i. Additional \$2.00 handling fee for destinations that do not receive transcripts electronically (vast majority of colleges accept them electronically)
- e. Fee waiver is available for students that meet criteria

### Counselors are not here in the Summer

The school counselor contract does not include coverage during summer break. They return the week of August 27<sup>th</sup>.

### Parking Permits for Next Year

Students may purchase parking permits beginning August 20<sup>th</sup> and 21<sup>st</sup> when they come in for school pictures and schedules. Applications will be available **the beginning of August** in the Main Office or on our website under *Students*, then *Parking Information*.

### TRANSCRIPTS

- Fill out a "Transcript Request Form" and return it to Cynthia Roper in the Red House Office. (you will need to pay \$5.00 per transcript requested).

### ACT/SAT

Act and SAT tests are offered throughout the year. Students can log on to ACT's web site, [www.actstudent.org](http://www.actstudent.org) to register for their ACT test. To register online for the SAT test students should go to [www.collegeboard.com](http://www.collegeboard.com). Students must upload a photo when registering for the ACT or SAT. Students are required to bring their admission ticket and photo id on the test day. No ticket, no photo id, no admission! As a general rule, we recommend that juniors start taking the ACT in the 2nd half of their junior year. However, some students are ready before that time and are certainly welcome to test earlier. One guideline is to wait until the student has either completed or has taken at least one semester of algebra 2. Students may take the tests as often as they choose. Official ACT and SAT scores can also be requested to be sent to a student's college(s) of choice through both of these test registration websites.

## Notes from the Athletics Office:

### ONLINE REGISTRATION FOR ATHLETICS

The Chaska High School Athletics Department is excited to announce that student-athlete registration for the 2018-19 academic year can be completed online. Chaska High School offers over 30 different athletics programs designed to meet the interests of our student body. These programs are an opportunity and a privilege afforded to students in our Chaska school community.

We are an educational athletics program, and as such, we believe strongly that our purpose is to promote lifelong personal growth and development. Student participation will encourage individual development by providing opportunities for leadership, sportsmanship, fellowship, teamwork, commitment to goal achievement, character building, communication skills, competition and school pride. Through their involvement in our programs, student-athletes are expected to improve their decision making processes, develop self-discipline and self-esteem, respect individual differences, and promote a healthy attitude toward addressing challenges. We believe these are the characteristics that will support a successful high school program and a successful future for our student-athletes, wherever their path may lead. Students are highly encouraged to become active in a variety of activities while attending Chaska High School.

The Chaska Hawks compete in the Metro West Conference and are members of the Minnesota State High School League. Chaska High School has won 170 Conference Championships, participated in over 185 State Tournaments, and has won State Championships in Boys' Basketball, Dance Team, Girls' Golf, Adapted Softball, and Volleyball!

To complete your online registration, please visit our Chaska High School Athletics Registration website at:

[www.chaskahawksregistration.com](http://www.chaskahawksregistration.com)

Please make sure you review the payment options listed on the website prior to starting the registration process. In addition, the registration homepage will provide detailed information on how to login for first time users. A reminder to make sure you change your password once you login to the system as a first time visitor to this site. Also, if you cannot retrieve your student account information, please contact the athletics/activities office.

It is recommended that all registration be completed at least two (2) weeks prior to the start of the season. Students must be completely registered by the Friday preceding the official MSHSL start date. Student-athletes will not be allowed to participate and/or try-out for a sport without being fully registered and cleared by the Chaska Athletics Office. A completed online registration must also include an updated Minnesota State High School League (MSHSL) Sports Qualifying Physical. The physical date on record is valid for two (2) years and must include a physician's signature. If a student needs an updated physical, the 2018-19 MSHSL Sports Qualifying Physical form is available on the registration homepage under "Resources". This form should be printed off and brought to your scheduled exam for the physician to complete. Once completed, this form should be brought to the Chaska High School Athletics Office so student account can be updated.

Here is a brief summary of Chaska Athletics offerings for the 2018-19 academic year.
